REGENT PLACE

AMERSHAM

THE HEIGHT OF CONTEMPORARY LIVING

Centrally located in the heart of this bustling, historic market town is Regent Place, a collection of just 36 brand new and well specified studio, one & two bedroom apartments.

The first new build in Amersham for over 15 years, Regent Place offers access to a host of local amenities with the added convenience of excellent transport links. These homes are ideally situated for those looking for a 'lifestyle on their doorstep' with a great selection of places to eat, drink and be entertained all close to hand.

A NEW LANDMARK FOR AMERSHAM

With stylish design and feature detailing, Regent Place is a striking new landmark in Amersham town. The development is accessed via a discreet, private secure entrance with communal reception area and lift service to all floors. There is private basement car parking and a delightful residents' first floor roof terrace. Some apartments also offer private balconies.

ALL YOU NEED IS CLOSE TO HAND

Every day shopping requirements are easily satisfied by Marks & Spencer 'Simply Food', Little Waitrose and a Tesco Express, while the nearby larger Waitrose store offers a more expansive shopping experience. The town also offers a vast array of popular eateries and cafes and for those looking for a more active life, there is a well-equipped and popular leisure centre, within walking distance.

The area is also an ideal home for those needing to commute or travel to the Capital on a regular basis, with both the Chiltern Railways Line and Metropolitan Underground offering frequent and speedy services to key London destinations.

A LOCATION OF CONTRAST

With plenty of inviting places to pause for refreshment, shopping is a relaxing pastime both in Old Amersham and its more modern counterpart Amersham-on-the-Hill. Ladieswear predominates in the Old Town, with select outlets such as Jaeger and independent boutiques like Ambers, located in the former Old Mill. While Amersham-on-the-Hill offers its own array of independent boutiques and high street stores.

In the Old Town, picturesque pubs rub shoulders with contemporary eating places, such as Gilbey's restaurant in the 17th century former grammar school or Seasons Café Deli, rated one of the top coffee shops in the country. In Amersham-on-the Hill you will also find a wide range of local cafes and restaurants to explore and enjoy, meaning there is no shortage of choice.

If you're looking to absorb some local history then Amersham Museum tells the story of local events, places and people, with exhibits and information covering a range of topics. Or why not try one of the guided walks of the Old Town and its surroundings, which take place on selected dates.

A short walk and you'll get an instant taste of the countryside - there's the 'Five Mile Walk', if you're feeling energetic – a circular route that takes you up into the hills to the south of the town. Alternatively, explore Little Chalfont Nature Park just a couple of miles from Amersham. It has been created from the original preserved natural grassland and woodland by the village community. It's a great place for picnics and there are marked paths through the woods and meadows.

It is also an area well serviced by schools and Regent Place falls within the catchment area of Dr Challoner's, a well-regarded co-education grammar school, highly rated in the Times List. There is also Elangeni and The Beacon Schools and St. Mary's C of E School, all nearby.

Help to Buy

Secure a new home with Help to Buy at Regents Place and you could benefit from:

- A smaller deposit requirement
- A Government backed, interest free loan (for the first five years)
- Access to cheaper mortgage rates

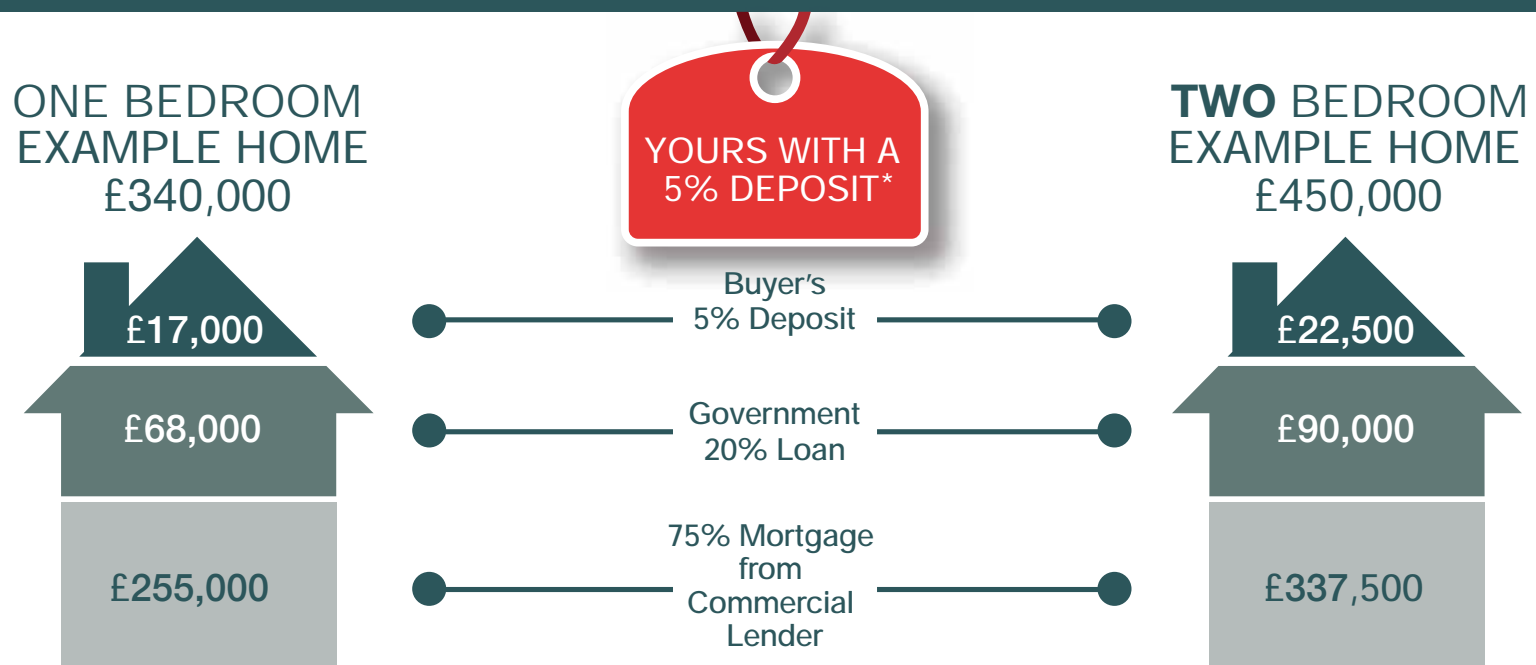

Help to Buy is a Government backed scheme, which is accessible for all movers – not just first time buyers. You can own 100% of your home with just a 5% deposit and a 75% mortgage.

With a Help to Buy Equity Loan the Government lends you up to 20% of the cost of your newly built home, so you'll only need a 5% cash deposit and a 75% mortgage to make up the rest.

This means you own 100% of your home and you can take advantage of lower mortgage repayments. You won't be charged loan fees on the 20% loan for the first five years of owning your home.

Help to buy is available on new homes with a value up to £600,000.

HOW DOES IT WORK?

With Help to Buy you will need a minimum, 5% deposit.

With Help to Buy the Government will loan you up to 20% of the value of a property in the form of an equity loan. The equity loan is for a maximum of 25 years, or before if the property is sold or the mortgage is redeemed, whichever term is the shorter of the two.

You then need to secure up to a 75% mortgage from a bank or building society.

You won't be charged loan fees on the Government loan for the first five years of owning your home.

Equity loans are available to first time buyers as well as to existing home owners looking to move.

HERE'S WHAT SOME OF OUR NEW RESIDENTS HAVE TO SAY.....

Henry Wellbelove and his partner Ellen Kapochkin have secured a new home at Regent Place.

Enticed by the development's central location, right in the heart of the town, and impressed with the high level of specification the homes here had to offer, the couple quickly decided that this was where they wanted to purchase their first home together. They have since moved into their brand-new, one-bedroom apartment here.

Speaking of their new home, Henry said: "We had focused our property search in and around Amersham because we really like the area. It is so easy to get into London, while the town also offers a great selection of shops, bars and restaurants, which is perfect for us. While we were open to both new and older properties, when we looked at what Regent Place had to offer, we were really impressed. The fact that it was brand new also meant we could move straight in and start enjoying life here, rather than having to invest additional time and funds into updating an older property. It's great to be all moved in; everything is on our doorstep and we are really enjoying life here. We'd definitely recommend the development to others."
